

FINSIG'05

2005 FINNISH SIGNAL PROCESSING SYMPOSIUM

August 25, 2005

University of Kuopio
Department of Computer Science
Kuopio, Finland

General Chair
Tapio Grönfors

Organizing Chair
Niina Päivinen

Advisory Board

Jaakko Astola (Tampere University of Technology), Ramin Baghaie (Varian Medical Systems Finland), Pasi Fränti (University of Joensuu), Moncef Gabbouj (Tampere University of Technology), Iiro Hartimo (Helsinki University of Technology), Martti Juhola (University of Tampere), Markku Juntti (University of Oulu), Pasi Karjalainen (University of Kuopio), Heikki Koivo (Helsinki University of Technology), Timo Laakso (Helsinki University of Technology), Erkki Oja (Helsinki University of Technology), Jussi Parkkinen (University of Joensuu), Markku Penttonen (University of Kuopio), Markku Renfors (Tampere University of Technology), Tapio Saramäki (Tampere University of Technology), Tapio Seppänen (University of Oulu), Olli Simula (Helsinki University of Technology), Jarno Tanskanen, Vesa Välimäki (Helsinki University of Technology)

Organizing Committee

Tapio Grönfors, Oleg Ponomarev, Niina Päivinen

Fax: +358 17 162 595

Note: The official language of FINSIG'05 is *English*.

FINSIG'05—2005 *Finnish Signal Processing Symposium*—will be held at University of Kuopio (Kuopio, Finland) on August 25, 2005. The symposium is meant for young researchers (graduate and post-graduate students) specializing in signal processing. FINSIG'05 will be devoted to theory, design, and applications of signal processing. Papers describing new research are invited for technical sessions on, but not limited to, the following topics:

- Audio Signal Processing
- Communications Signal Processing
- DSP Education
- Fast DSP Algorithms
- Fuzzy Methods and Genetic Algorithms
- Genomic Signal Processing
- Image and Multidimensional Signal Processing
- Linear Filter Design and Structures
- Medical Image and Signal Processing
- Multimedia and Virtual Reality
- Neural Networks for Signal Processing
- Nonlinear Signal Processing
- Speech Processing (Coding, Recognition, Synthesis)
- VLSI for Signal Processing
- Wavelets and Filter Banks

The final papers will be published in the *CD-ROM Proceedings of FINSIG'05* that will be available at the symposium.

TO SUBMIT A PAPER

E-mail your paper of length 2-3 pages (including figures and references) with full affiliation of the corresponding author (including an e-mail address) and a notion whether oral or poster presentation is preferred to

finsig05@cs.uku.fi

in pdf format (or, if not possible, in ps format)

SCHEDULE:

Paper submission: To be received by **May 13, 2005**
Notification of acceptance: To be mailed out on **June 17, 2005**
Final paper: To be received by **August 12, 2005**
FINSIG'05 symposium: **August 25, 2005**
